ABSOLUTE TRIM™

By Woodtone

Your project will last longer with AbsoluteTrim™.

Manufactured using an unmatched, high-quality substrate.

- Select tight knot (STK), finger-jointed, kiln dried Western Red Cedar
 - 30 year substrate warranty against rot and manufacturer's defect
 - Fingerjointed aspect adds stability and longer length structure
-

Proprietary environmental primer applied in a controlled environment.

- 2-Coat acrylic primer armed with tannin blocking and mar resistant properties designed specifically for Western Red Cedar
 - Coating adhesion is significantly improved by factory prefinishing
-

Optional ColorGuard™ Coating System expands possibilities.

- Infinite color options to customize to your heart's desire
 - Up to a 30 year coating finish warranty
 - Drastically decreases installation time saving costs
 - Eliminates weather delays
-

We'll stand behind our product, guaranteed.

- 30 year limited warranty against rot and manufacturer's defect
- The security you need when making your buying decision
- Copy of warranty statement is available online
