TEAL Prestains

Personalized beauty. Distinctive quality.

Add a signature look to residential, business and industrial architecture with the distinctive style of **TEAL PRESTAIN** and custom-finish sidewalls.

Teal Cedar prestain products blend rustic charm with lasting durability, ideal for diverse applications such as wrap-around exteriors or eye-catching gables, mansards, window features and accent walls.

Each prestain product is made from high-quality Western Red Cedar, renowned for even grain, weather resistance, thermal insulation and longevity.

TEAL #1 EDGEGRAIN brand sidewall shingles provide unparalleled enduring value. Choose a natural, sanded or grooved finish. Add primer. Select a prestain from the **TEAL SIGNATURE SERIES** line of stock colors or create a custom color of your own.

- ONE-COAT SYSTEM
- PROTECTS & BEAUTIFIES
- FIGHTS WATER DAMAGE
- LONG LASTING COLOR
- UV PROTECTION

TEAL Sidewall Shingles

PURCHASING PROCEDURES

All Teal Cedar products are available through local distribution.

Please refer to our website www.tealjones.com for a dealer near you or contact Teal Cedar at 1-888-995-8325 for assistance.

1. Choose shingle size and surface finish.
16, 18 or 24 inches long with grooved, sanded or natural face.
2. Establish the required amount of material using the coverage chart on page six of the guide.
3. Select finish if required .
 - Single coat of semi-transparent, semi-solid or solid oil based stain.
 - Single coat of alkyd oil primer with one coat of Latex color.
 - Single coat of alkyd oil primer with two coats of Latex color.

Note: Multiple coat finishes cannot be applied to grooved surface shingles.

4. Material samples can be requested through the local distributor. A maximum of 3 samples will be provided free of charge with additional samples charged at cost.

Allow 7-10 days for delivery.

5. Approve the sample provided and place your order with the local distributor. Allow 3-4 weeks for delivery. Please refer to back page for warranty information.
6. For added convenience and quick delivery, select a semi-solid or solid stain from the **TEAL SIGNATURE SERIES** line of stock colors. See our website for details.
